History: 1953 Comp., § 71-6-2, enacted by Laws 1959, ch. 245, § 2; 1963, ch. 186, § 1; 1977, ch. 301, § 1; 1995, ch. 27, § 2; 2005, ch. 79, § 1.

The 1995 amendment, effective June 16, 1995, added Subsection G.

The 2005 amendment, effective June 17, 2005, revises all definitions.

ANNOTATION

Term "public records" in this section includes the records of various public officials as that term is used in the inspection of public records provisions, former 14-2-1 to 14-2-3 NMSA 1978, being those "public records" which are necessary or incidental to fulfilling the public officer's duties imposed upon his office by operation of law. 1969 Op. Att'y Gen. No. 69-139.

In order to be considered a "public record," an item must have some continuing significance or importance. There must be some purpose or reason for its preservation. Therefore, general correspondence files are not public records per se. Certainly there are many items in such a file which should be treated as public records because their contents bring them within the statutory definition. However, there are many items which should be classified as transitory in value and interest. To treat such items as public records and to require their retention for at least three years (as formerly required under 14-3-11 NMSA 1978) would be burdensome, wasteful and unnecessary. 1959-60 Op. Att'y Gen. No. 60-72.

"Public records" not applicable to "right-to-know law". — Definition of "public records" in Public Records Act, 14-3-1 NMSA 1978 et seq., does not apply to 14-2-1 NMSA 1978, the "right-to-know law." Such definition is so broad that no reasonable interpretation of 14-2-1 NMSA 1978 could possibly include all of the records that would be subject to inspection by public under that definition. *State ex rel. Newsome v. Alarid*, 90 N.M. 790, 568 P.2d 1236 (1977).

Confidential data not public record. — Data concerning the reliability, honesty, capability and personality traits of an individual which had been solicited with the understanding that they would be kept confidential are not public records. 1967 Op. Att'y Gen. No. 67-57.

County and municipal records are not included in the term "public records" as that term is defined in this article. 1959-60 Op. Att'y Gen. No. 60-181.

Records of elected state officials are "public records" within the meaning and scope of this article. 1969 Op. Att'y Gen. No. 69-139.

State officials' records are "public records" except when not required by law to be kept. — Papers and memoranda in the possession of elected state officials which are not required by law to be kept by such officials as an official record are not public records. 1969 Op. Att'y Gen. No. 69-139.

Generally, reports of private individuals to government officials, correspondence of public officials to private individuals and memoranda of public officials made for their own convenience are not public records. 1969 Op. Att'y Gen. No. 69-139.

Papers and memoranda in the possession of public officers which are not required by law to be kept by a public official as an official record may not be public records. Generally, reports of private individuals

to government officials, correspondence of public officials to private individuals and memoranda of public officers made for their own convenience are not public records. 1967 Op. Att'y Gen. No. 67-57.

Records which contain both official and personal matters are still public records and should be in the custody of the state records commission (now state commission of public records) at the state records center. 1969 Op. Att'y Gen. No. 69-139.

Records used to carry out duties deemed public. — It is clear that those records which are necessary and incidental to carrying out the duties imposed upon an individual by operation of law are generally deemed public records. 1961-62 Op. Att'y Gen. No. 61-137.

Accident reports. — Accident reports made by police officers as a part of their regular course of duty are considered public records. 1959-60 Op. Att'y Gen. No. 59-213.

School records deemed public. — Business records, expenditures, daily attendance records and permanent records of an individual student's grades kept by the public schools are public records. 1961-62 Op. Att'y Gen. No. 61-137.

Records kept for informational purposes or those containing data used in educating pupils not "public". — The attendance records and the grade and achievement records of students are public records, but records of information kept for informational purposes or which contain data of a personal nature for use in assisting teachers and school personnel in educating pupils do not fall within the category of public records. 1967 Op. Att'y Gen. No. 67-57.

Such records or memoranda as may be kept by a teacher, or other school official, for informational purposes on individual students, and which may contain data of a personal nature for use in assisting teachers or school personnel in educating pupils, do not fall within the classification of public records entitled to be scrutinized by the public; nor are temporary or partial grades or records kept by individual teachers public records in nature. 1961-62 Op. Att'y Gen. No. 61-137.

Availability to teacher of reports, etc., on teacher. — The reports of supervisors, comments of fellow teachers and parents concerning the reliability, honesty, capability and personality traits of the public school teacher are not public records which are available for inspection by the teacher except in accordance with the regulations of the governing body of the school. 1967 Op. Att'y Gen. No. 67-57.

A wallet placed in a probate file as an effect of a decedent is not a public record. 1987 Op. Att'y Gen. No. 87-26.

Privilege of inquiry as to faculty salary matters must be suspended until the board of regents reaches its final conclusion, i.e., the culmination of the contract between the board and the individual. *Sanchez v. Board of Regents*, 82 N.M. 672, 486 P.2d 608 (1971).

Thought processes, or the offer of a contract, are not such a public record as would require public inspection. *Sanchez v. Board of Regents*, 82 N.M. 672, 486 P.2d 608 (1971).

Right to inspect records of the board of regents of a state university on the subject of salary contract negotiations before the task was completed should be denied. *Sanchez v. Board of Regents*, 82 N.M. 672, 486 P.2d 608 (1971).

"State agency" indicates specific type of governmental organization and not state governmental entities generally. 1978 Op. Att'y Gen. No. 78-23.

Counties and municipalities not included in term "agency". — "Agency" includes only portions of the state government or other bodies that are under the direct supervision of, or are branches of, a portion of the state government. Counties and municipalities are not included in the term "agency," as it is defined in this section. 1959-60 Op. Att'y Gen. No. 60-181.

14-3-3. State commission of public records; creation.

A. A "state commission of public records" is established consisting of:

- (1) the secretary of state;
- (2) the secretary of general services;
- (3) the state law librarian;
- (4) the director of the museum of New Mexico;
- (5) the state auditor;
- (6) the attorney general; and
- (7) a recognized, professionally trained historian in the field of New Mexico history, resident in New Mexico, appointed by the governor for a term of six years. Each member of the commission may designate an alternate to serve in his stead.

B. The commission shall elect one of its members to be chairman and another to be secretary. The members of the commission shall serve without compensation other than actual expenses of attending meetings of the commission or while in performance of their official duties in connection with the business of the commission.

C. The commission shall hold not less than four meetings during each calendar year and may hold special meetings as may be necessary to transact business of the commission. All meetings shall be called by the chairman or when requested in writing by any two members of the commission. Four members of the commission shall constitute a quorum.

D. The administrator shall attend all meetings of the commission.

History: 1953 Comp., § 71-6-3, enacted by Laws 1959, ch. 245, § 3; 1977, ch. 247, § 181; 1983, ch. 301, § 32.

Cross references. — For Per Diem and Mileage Act, see 10-8-1 NMSA 1978 et seq.

Appropriations. — Laws 1994, ch. 147, § 2M, effective March 9, 1994, appropriates \$50,000 from the computer systems enhancement fund to the state commission of public records for expenditure in the eighty-second and eighty-third fiscal years to establish an agency-wide information system. Any unexpended or unencumbered balance remaining at the end of the eighty-third fiscal year shall revert to the computer systems enhancement fund.

ANNOTATION

Governor has no constitutional or statutory power to establish agency to meet governmental printing and duplication needs as a new division of the commission of public records whose existence and scope of functioning is based on a legislative enactment which cannot fairly be construed to include

authority to undertake such services. 1969 Op. Att'y Gen. No. 69-3.

14-3-4. Duties and powers of commission.

It shall be the duty of the commission to:

A. employ as state records administrator a competent, experienced person professionally trained as an archivist and records manager who shall serve at the pleasure of the commission. He need not be a resident of New Mexico at the time of his employment. His salary shall be fixed by the commission;

B. approve the biennial budget covering costs of the operations set forth in this act [Chapter 14, Article 3 NMSA 1978], as prepared by the administrator for presentation to the state legislature;

C. decide, by majority vote, any disagreements between the administrator and any state officer regarding the disposition of records within the custody of said officer, such decisions to have the effect of law;

D. consider the recommendations of the administrator for the destruction of specifically reported records, and by unanimous vote either order or forbid such destruction;

E. approve in writing, or reject, the written terms and conditions of each proposed loan of documentary material to the records center, as agreed upon by the lender and the administrator;

F. adopt and publish rules and regulations to carry out the purposes of the Public Records Act [Chapter 14, Article 3 NMSA 1978];

G. request any agency to designate a records liaison officer to cooperate with, assist and advise the administrator in the performance of his duties and to provide such other assistance and data as will enable the commission and administrator properly to carry out the purposes of the Public Records Act; and

H. prepare an annual report to the governor on the operations conducted under the terms of this act during the previous year, including a complete fiscal report on costs and effected savings, and cause same to be published.

History: 1953 Comp., § 71-6-4, enacted by Laws 1959, ch. 245, § 4.

ANNOTATION

Necessary and implied authority. — The commission of public records has all necessary and implied authority to carry out the responsibilities delegated to it by law. 1969 Op. Att'y Gen. No. 69-3.

Duty not to exceed authority. — The commission of public records has a duty not to exceed the authority delegated to it by law. 1969 Op. Att'y Gen. No. 69-3.

Governor has no constitutional or statutory power to establish agency to meet governmental printing and duplication needs as a new division of the commission of public records whose existence and scope of functioning is based on a legislative enactment which cannot fairly be construed to include

authority to undertake such services. 1969 Op. Att'y Gen. No. 69-3.

14-3-5. Gifts, donations and loans.

The commission may receive from private sources, financial or other donations to assist in building, enlarging, maintaining or equipping a records center, or for the acquisition by purchase of documentary material, in accordance with plans made and agreed upon by the commission and the administrator. Funds thus received shall be administered by the commission separately from funds supplied by the state for the execution of this act [Chapter 14, Article 3 NMSA 1978], but shall be audited by the state. Such funds shall not be subject to reversion to the general fund if unexpended at the close of the fiscal year. Although all material acquired by expenditure of such donated funds and all such donated material shall become the unqualified and unrestricted property of the state, permanent public acknowledgment of the names of the donors may in each case be made in an appropriate manner.

The commission may receive either as donations or loans from private sources, other state agencies, counties, municipalities, the federal government and other states or countries, documentary materials of any physical form or characteristics which are deemed to be of value to the state and the general public for historical reference or research purposes. Acceptance of both donations and loans shall be at the discretion of the commission upon advice of the administrator. Accepted donations shall become, without qualification or restriction, the property of the state of New Mexico. Loans shall be accepted only after a written agreement covering all terms and conditions of each loan shall have been signed by the lender and the administrator and approved by the commission.

History: 1953 Comp., § 71-6-5, enacted by Laws 1959, ch. 245, § 5.

ANNOTATION

State commission of public records may receive private documents if they are deemed to be of value to the state and general public for historical reference and research purposes. The legislature intended the state records center to be the repository for private documents that are primarily valuable for historical reference and research purposes. This is not to say that such private documents are public records. But if such documents are donated or loaned to the commission from any source, the commission is authorized to take custody of them and retain them in the state records center in perpetuity, in the case of donations, or for the period specified in the loan agreement, in the case of loans. 1961-62 Op. Att'y Gen. No. 61-7.

Receipts of state commission of public records derived from sale of boxes and archival materials in the state records center are not funds that have been appropriated to the commission, and may not be expended by the commission. 1959-60 Op. Att'y Gen. No. 60-169. (See 2002 enactment of 14-3-8.1 NMSA 1978).

14-3-6. Administrator; duties.

The administrator is the official custodian and trustee for the state of all public records and archives of whatever kind which are transferred to him from any public office of the state or

from any other source. He shall have overall administrative responsibility for carrying out the purposes of the Public Records Act [Chapter 14, Article 3 NMSA 1978], and may employ necessary personnel, purchase equipment and provide facilities as may be required in the execution of the powers conferred and duties imposed upon him. He shall keep the commission advised throughout the year of operations conducted and future operations projected, and shall report annually to the commission which records have been destroyed, transferred or otherwise processed during the year. The administrator shall establish a records management program for the application of efficient and economical management methods to the creation, utilization, maintenance, retention, preservation and disposal of official records. It shall be the duty of the administrator, in cooperation with and with the approval of the general services department, to establish standards, procedures and techniques for effective management of public records, to make continuing surveys of paperwork operations, and to recommend improvements in current records management practices including the use of space, equipment and supplies employed in creating, maintaining and servicing records. It shall be the duty of the head of each state agency to cooperate with the administrator in conducting surveys and to establish and maintain an active, continuing program for the economical and efficient management of the agency's records. The administrator shall establish records disposal schedules for the orderly retirement of records and adopt regulations necessary for the carrying out of the Public Records Act. Records disposal schedules shall be filed with the librarian of the supreme court library, and shall not become effective until thirty days after the date of filing. Records so scheduled may be transferred to the records center at regular intervals, in accordance with the regulations of the administrator.

History: 1953 Comp., § 71-6-6, enacted by Laws 1959, ch. 245, § 6; 1965, ch. 81, § 1; 1983, ch. 301, § 33.

ANNOTATION

Adoption of regulations by administrator. — The administrator may adopt regulations which will guide state officers in determining which records are "public records" and providing for separate disposal standards and retention periods for nonpublic record correspondence. The disposition of those records found to be "public records" within the meaning of the statutory definition must be controlled by the applicable portions of the Public Records Act, 14-3-1 NMSA 1978 et seq. 1959-60 Op. Att'y Gen. No. 60-72.

Administrator has authority to ensure compliance by county officials with the applicable provisions of 14-3-15 NMSA 1978. 1979 Op. Att'y Gen. No. 79-26.

14-3-7. Inspection and survey of public records.

The administrator is authorized to inspect or survey the records of any agency, and to make surveys of records management and records disposal practices in the various agencies, and he shall be given the full cooperation of officials and employees of the agencies in such inspections and surveys. Records, the use of which is restricted by or pursuant to law or for reasons of security or the public interest, may be inspected or surveyed by the administrator, subject to the same restrictions imposed upon employees of the agency holding the records.

History: 1953 Comp., § 71-6-7, enacted by Laws 1959, ch. 245, § 7.

14-3-7.1. Access to confidential records.

A. Notwithstanding any other provision of law, any public record deemed by law to be confidential and required by a records retention and disposition schedule to be maintained longer than twenty-five years shall not, after twenty-five years from the date of creation, be confidential and shall be accessible to the public, except:

- (1) personal identification information deemed confidential by law, which shall remain confidential for one hundred years after the date of creation, unless a shorter duration is otherwise required by law;
- (2) records that are confidential pursuant to Section 2-3-13 NMSA 1978, which shall remain confidential for seventy-five years after the date of creation;
- (3) records that are confidential pursuant to Section 18-6-11.1 NMSA 1978; and
- (4) records whose disclosure is prohibited by court action or federal law.

B. Nothing in this section shall limit or remove the discretion of a records custodian to withhold a public record pursuant to Section 14-2-1 NMSA 1978.

History: Laws 2005, ch. 79, § 2.

Effective dates. — Laws 2005, ch. 79 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective June 17, 2005, 90 days after adjournment of the legislature.

14-3-8. Records center.

A records center is established in Santa Fe under the supervision and control of the administrator. The center, in accordance with the regulations established by the administrator and the commission, shall be the facility for the receipt, storage or disposition of all inactive and infrequently used records of present or former state agencies or former territorial agencies which at or after the effective date of this act may be in custody of any state agency or instrumentality, and which are not required by law to be kept elsewhere, or which are not ordered destroyed by the commission.

Records required to be confidential by law and which are stored in the center shall be available promptly when called for by the originating agency, but shall not be made available for public inspection except as provided by law. All other records retained by the center shall be open to the inspection of the general public, subject to reasonable rules and regulations prescribed by the administrator. Facilities for the use of these records in research by the public shall be provided in the center.

History: 1953 Comp., § 71-6-8, enacted by Laws 1959, ch. 245, § 8.

Meaning of "effective date of this act." — The phrase "effective date of this act", appearing in the second sentence of the first paragraph, means June 12, 1959, the effective date of Laws 1959, ch. 245.

ANNOTATION

Official documents and correspondence of former officials. — It is clear that the official documents and correspondence of a former territorial governor, chief justice, representative and delegate should be in the custody of the commission in the state records center. 1961-62 Op. Att'y Gen. No. 61-7.

Records which contain both official and personal matters are still public records and should be in the custody of the commission at the state records center. 1969 Op. Att'y Gen. No. 69-139.

14-3-8.1. Records center revolving fund; created; revenues from sales deposited in fund.

The "records center revolving fund" is created in the state treasury. Money from the sale of state records center publications, services, equipment, supplies and materials shall be deposited in the fund. The fund shall be administered by the state records center, and money in the fund is appropriated to the state records center to carry out the administrative purposes of the Public Records Act [Chapter 14, Article 3 NMSA 1978] and the State Rules Act [Chapter 14, Article 4 NMSA 1978]. Expenditures from the fund shall be by warrant of the secretary of finance and administration upon vouchers signed by the state records administrator or his authorized representative.

History: Laws 2002, ch. 56, § 2.

Emergency clauses. — Laws 2002, ch. 56, § 4 makes the act effective immediately. Approved March 4, 2002.

Temporary provisions. — Laws 2002, ch. 56, § 3, effective March 4, 2002, provides that all money in the special revolving fund established by Laws 1961, Chapter 111 for the use of the state records center shall be transferred to the records center revolving fund.

14-3-9. Disposition of public records.

Upon completion of an inspection or survey of the public records of any agency by the administrator, or at the request of the commission or the head of any agency, the administrator, attorney general and the agency official in charge of the records of that agency shall together make a determination as to whether:

- A. the records shall be retained in the custody of the agency;
- B. the records shall be transferred to the records center; or
- C. a recommendation for destruction of the records shall be made to the commission.

If it is determined that the records are to be transferred to the records center, they shall be within a reasonable time so transferred. A list of the records so transferred shall be retained in the files of the agency from which the records were transferred.

Public records in the custody of the administrator may be transferred or destroyed only upon order of the commission.

History: 1953 Comp., § 71-6-9, enacted by Laws 1959, ch. 245, § 9.

ANNOTATION

County officials are not required to comply with specific terms of 14-3-9 through 14-3-11 NMSA 1978, when they destroy the records kept by them. 1979 Op. Att'y Gen. No. 79-16.

Disposition of official's records upon expiration of term. — After his term of office has expired, an elected state official may not dispose of his official public records in any manner other than that prescribed by the New Mexico commission of public records. 1969 Op. Att'y Gen. No. 69-139.

14-3-10. Disagreement as to value of records.

In the event the attorney general and the administrator determine that any records in the custody of a public officer including the administrator are of no legal, administrative or historical value, but the public officer having custody of the records or from whose office the records originated fails to agree with such determination or refuses to dispose of the records, the attorney general and the administrator may request the state commission of public records to make its determination as to whether the records should be disposed of in the interests of conservation of space, economy or safety.

History: 1953 Comp., § 71-6-10, enacted by Laws 1959, ch. 245, § 10.

ANNOTATION

County officials are not required to comply with specific terms of 14-3-9 through 14-3-11 NMSA 1978, when they destroy the records kept by them. 1979 Op. Att'y Gen. No. 79-16.

14-3-11. Destruction of records.

If it is determined by the administrator, attorney general and agency head that destruction of records will be recommended, the administrator shall have prepared a list of records, together with a brief description of their nature, and shall place upon the agenda of the next meeting of the commission the matter of destruction of the records. The records may be stored in the center awaiting decision of the commission.

The commission's decision with reference to destruction of the records shall be entered on its minutes, together with the date of its order to destroy the records and a general description of the records which it orders to be destroyed. A copy of the commission's order shall be filed with the librarian of the supreme court library.

No public records shall be destroyed if the law prohibits their destruction.

History: 1953 Comp., § 71-6-11, enacted by Laws 1959, ch. 245, § 11; 1965, ch. 81, § 2.

ANNOTATION

Destruction of paper originals reproduced by microphotography. — It is clear from reading this article that "public records," as defined herein, may be reproduced by microphotography. However, there is no implication that the paper originals can then be destroyed by the administrator. Destruction of such documents can be accomplished only as provided in 14-3-9 to 14-3-11 NMSA 1978, which require, among other things, an appropriate order by the commission. 1959-60 Op. Att'y Gen. No. 60-68.

County officials are not required to comply with specific terms of 14-3-9 through 14-3-11 NMSA 1978, when they destroy the records kept by them. 1979 Op. Att'y Gen. No. 79-16.

Records made or kept by municipality under its own authority and for its own purposes may be disposed of as the municipality sees fit. What the municipality has power to create, it has power to destroy, but what is created by the state, or by authority of the state, can only be destroyed by the state, or with its permission. 1961-62 Op. Att'y Gen. No. 61-36.

14-3-12. Transfer of records upon termination of state agencies.

All public records of any agency, upon the termination of the existence and functions of that agency, shall be checked by the administrator and the attorney general and either transferred to the custody of another agency having a use for the records, or to the custody of the administrator at the center in accordance with the procedure of the Public Records Act [Chapter 14, Article 3 NMSA 1978].

When an agency is terminated or reduced by the transfer of its powers and duties to another agency or to other agencies, its appropriate public records shall pass with the powers and duties so transferred.

History: 1953 Comp., § 71-6-12, enacted by Laws 1959, ch. 245, § 12.

14-3-13. Protection of records.

The administrator and every other custodian of public records shall carefully protect and preserve such records from deterioration, mutilation, loss or destruction and, whenever advisable, shall cause them to be properly repaired and renovated. All paper, ink and other materials used in public offices for the purposes of permanent records shall be of durable quality.

14-3-14. Advisory groups.

The commission upon recommendation of the administrator may from time to time appoint advisory groups to more effectively obtain the best professional thinking of the bar, historians, political scientists, librarians, accountants, genealogists, patriotic groups, associations of public officials and other groups, on the steps to be taken with regard to any particular group or type of records.

History: 1953 Comp., § 71-6-14, enacted by Laws 1959, ch. 245, § 14.

14-3-15. Reproduction on film; evidence; review, inventory and approval of systems.

A. Any public officer of the state or of any district or political subdivision may cause any public records, papers or documents kept by him to be photographed, microphotographed or reproduced on film.

B. The state records administrator shall review any proposed state agency microphotography system and shall advise and consult with the agency. The administrator has the authority to approve or disapprove the system of any state agency.

C. The microphotography system used pursuant to this section shall comply with the minimum standards approved by the New Mexico commission of public records. The microphotography system used to reproduce such records on film shall be one which accurately reproduces the original in all details.

D. The administrator shall establish and maintain an inventory of all microfilm equipment owned or leased by state agencies. The administrator is authorized to arrange the transfer of microphotography equipment from a state agency which does not use it, and which has released it, to a state agency needing such equipment for a current microphotography system.

E. Photographs, microphotographs or photographic film made pursuant to this section shall be deemed to be original records for all purposes, including introduction in evidence in all courts and administrative agencies. A transcript, exemplification or certified copy, for all purposes, shall be deemed to be a transcript, exemplification or certified copy of the original.

F. Whenever such photographs, microphotographs or reproductions on film are properly certified and are placed in conveniently accessible files, and provisions are made for preserving, examining and using them, any public officer may cause the original records from which the photographs or microphotographs have been made, or any part thereof, to be disposed of according to methods prescribed by Sections 14-3-9 through 14-3-11 NMSA 1978. Copies shall be certified by their custodian as true copies of the originals before the originals are destroyed or lost, and the certified copies shall have the same effect as the originals. Copies of public records transferred from the office of origin to the administrator, when certified by the administrator or his deputy, shall have the same legal effect as if certified by the original custodian of the records.

G. For the purposes of this section, "state agency" shall include the district courts.

History: 1953 Comp., § 71-6-15, enacted by Laws 1959, ch. 245, § 15; 1975, ch. 215, § 1; 1977, ch. 301, § 2.

Cross references. — For provision that recording "book" includes microfilm, see 14-8-3 NMSA 1978.

ANNOTATION

Subsection B applies only to governmental organizations which are considered state agencies and not to governmental organizations generally. State institutions are considered to be distinct

governmental organizations not included within the term "state agency." State educational institutions, as state institutions, are not therefore considered to be state agencies within the terms of the statute. 1978 Op. Att'y Gen. No. 78-23.

Subsection C standards apply to state educational institutions. — The state records administrator only has the authority to insure that state educational institutions comply with the standards for microphotography established pursuant to Subsection C; the administrator does not have the authority to review and to approve or disapprove the microphotography systems of state educational institutions in their entirety. 1978 Op. Att'y Gen. No. 78-23.

Subsection D applies only to state agencies and not to state educational institutions. 1978 Op. Att'y Gen. No. 78-23.

Section controls microfilming of records by county officials. — Although 14-1-5 NMSA 1978 permits county officials to microfilm the records maintained by them, this section is the more specific statute and is controlling. 1979 Op. Att'y Gen. No. 79-26.

County clerks may microfilm papers kept by them. — County clerks, as public officials of a political subdivision of the state, may microfilm the papers kept by them. 1979 Op. Att'y Gen. No. 79-16.

Administrator has authority to ensure compliance by county officials with the applicable provisions of this section. 1979 Op. Att'y Gen. No. 79-26.

Subsections A, C, E, and F are applicable to county officials and the microphotography undertaken by them. 1979 Op. Att'y Gen. No. 79-26.

Subsections B, D, G and 14-3-17 NMSA 1978 apply only to state agencies and not to counties or other governmental organizations. 1979 Op. Att'y Gen. No. 79-26.

Procedure where public officer offers his records to state after microfilming. — If any public officer sees fit to offer his records to the state records administrator, after microfilming them, then the procedure to determine the disposition of the records is exactly as outlined in 14-3-9 NMSA 1978, with the state records administrator surveying the records involved and determining, in conjunction with the attorney general and the agency official involved, what disposition shall be made of them. 1959-60 Op. Att'y Gen. No. 60-179.

Destruction of original records without action by records administrator. — If microfilmed and certified pursuant to this section, originals of records, including newspapers kept by county clerks, may be destroyed without any action on the part of the records administrator. 1979 Op. Att'y Gen. No. 79-16.

County officials are not required to comply with specific terms of 14-3-9 through 14-3-11 NMSA 1978, when they destroy the records kept by them. 1979 Op. Att'y Gen. No. 79-16.

14-3-15.1. Records of state agencies; public records; copy fees; computer databases; criminal penalty.

A. Except as otherwise provided by federal or state law, information contained in information systems databases shall be a public record and shall be subject to disclosure in printed or typed format by the state agency that has inserted that information into the database, in accordance with the Public Records Act [Chapter 14, Article 3 NMSA 1978], upon the payment of a reasonable fee for the service.

B. The administrator shall recommend to the commission the procedures, schedules and technical standards for the retention of computer databases.

C. The state agency that has inserted data in a database may authorize a copy to be made of a computer tape or other medium containing a computerized database of a public record for any person if the person agrees:

- (1) not to make unauthorized copies of the database;
- (2) not to use the database for any political or commercial purpose unless the purpose and use is approved in writing by the state agency that created the database;
- (3) not to use the database for solicitation or advertisement when the database contains the name, address or telephone number of any person unless such use is otherwise specifically authorized by law;
- (4) not to allow access to the database by any other person unless the use is approved in writing by the state agency that created the database; and
- (5) to pay a royalty or other consideration to the state as may be agreed upon by the state agency that created the database.

D. If more than one state agency is responsible for the information inserted in the database, the agencies shall enter into an agreement designating a lead agency. If the agencies cannot agree as to the designation of a lead state agency, the commission shall designate one of the state agencies as the lead agency to carry out the responsibilities set forth in this section.

E. Subject to any confidentiality provisions of law, any state agency may permit another state agency access to all or any portion of a computerized database created by a state agency.

F. If information contained in a database is searched, manipulated or retrieved or a copy of the database is made for any private or nonpublic use, a fee shall be charged by the state agency permitting access or use of the database.

G. Except as authorized by law or rule of the commission, any person who reveals to any unauthorized person information contained in a computer database or who uses or permits the unauthorized use or access of any computer database is guilty of a misdemeanor, and upon conviction the court shall sentence that person to jail for a definite term not to exceed one year or to payment of a fine not to exceed five thousand dollars (\$5,000) or both. That person shall not be employed by the state for a period of five years after the date of conviction.

The 1993 amendment, effective July 1, 1993, substituted "commission" for "council" in Paragraph (4) of Subsection C and made minor stylistic changes in Subsections A, C and G.

The 1995 amendment, effective July 1, 1995, renumbered the section; substituted "administrator" for "secretary" and made a minor stylistic change in Subsection B; deleted "with the approval of the secretary" following "database" in Subsection C; deleted "secretary and the" preceding "state agency" in

Paragraph (2) of Subsection C; deleted "the commission and" following "writing by" in Paragraph (4) of Subsection C; deleted "the secretary and" preceding "the state agency"; substituted the language beginning with "the agencies shall enter" and ending with "the lead agency" for "a single state agency shall be designated by the secretary" in Subsection D; deleted "to be prescribed by rule of the secretary" following "a fee" in Subsection F; and substituted "commission" for "secretary" in Subsection G.

Repeals. — Laws 1986, ch. 81, § 15 repeals former 15-1-9 NMSA 1978, as enacted by Laws 1984, ch. 64, § 12, relating to records contained in information systems databases, effective May 21, 1986. For provisions of former section, see 1985 Cumulative Supplement.

Subsection C is statute of very specific application. *Crutchfield v. Taxation & Revenue Dep't.*, 2005-NMCA-022, ___ N.M. ___, 106 P.3d 1273.

Intent of Subsection C. — The legislature, in enacting Subsection C of this section, intended to permit state agencies to specifically limit public use of a certain type of record. *Crutchfield v. Taxation & Revenue Dep't.*, 2005-NMCA-022, ___ N.M. ___, 106 P.3d 1273.

Computerized database of public record. — There is no intent on the part of the legislature with respect to Subsection C of this section that that statute and the policy underlying it, and not the Inspection of Public Records Act and the policies underlying it, apply to a copy of a medium containing a computerized database of a public record. *Crutchfield v. Taxation & Revenue Dep't.*, 2005-NMCA-022, ___ N.M. ___, 106 P.3d 1273.

Rights under Subsection C not waived. — That the department of taxation & revenue has decided to provide, free of charge, portions of its database piecemeal on the website while at the same time placing restrictions on or even denying use to persons requesting the entire database for commercial use does not require a finding that the department waived its rights under Subsection C of this section. *Crutchfield v. Taxation & Revenue Dep't.*, 2005-NMCA-022, ___ N.M. ___, 106 P.3d 1273.

Access to abbreviations and terms used in electronic database. — Where trial court did not err in upholding the department of taxation and revenue's rejection pursuant to Subsection C of this section of plaintiff's electronic database request, there is no basis in which plaintiff is entitled to the records that contained abbreviations and terms used by the department in categorizing and sorting the severance tax data on its electronic database. *Crutchfield v. State does not have valid prisoner transfer agreement with Arizona. — Due to fact that an exhaustive search of the supreme court library found only one contract for a term from April 24, 1973, to June 30, 1974, and a renewal for July 1, 1975, to June 30, 1976, New Mexico does not have a valid agreement with Arizona concerning transfers of prisoners. *State v. Ellis*, 95 N.M. 427, 622 P.2d 1047 (Ct. App. 1980).

14-3-21. [State publications; manuals of procedure; rules; reports; uniform style and form.]
